LIST OF TABLES

Sl. No.	Table No	Title	Page No
1.	4.1	Reliability Co-Efficient of Correlation of Test-Retest Scores	81
2.	4.2	Components of Quality Work Life	83
3.	4.3	Study Organizations	84
4.	5.1	Gender Wise Distribution of Coaches Working at Government Sector Organizations	89
5.	5.2	Gender Wise Distribution of Coaches Working at Private Sector Organizations	90
6.	5.3	Age Wise Distribution of Coaches Working at Government Sector Organizations	91
7.	5.4	Age Wise Distribution of Coaches Working at Private Sector Organizations	92
8.	5.5	Marital Status Wise Distribution of Coaches Working at Government Sector Organizations	93
9.	5.6	Marital Status Wise Distribution of Coaches Working at Private Sector Organizations	93
10.	5.7	Experience Wise Distribution of Coaches Working at Government Sector Organizations	94
11.	5.8	Experience Wise Distribution of Coaches Working at Private Sector Organizations	95
12.	5.9	Monthly Income Wise Distribution of Coaches Working at Government Sector Organizations	97
13.	5.10	Monthly Income Wise Distribution of Coaches Working at Private Sector Organizations	97
14.	6.1	Descriptive Statistics of Coaches working at Different Organizations with regard to Quality of work life Dimensions	101

Sl. No.	Table No	Title	Page No
15.	6.2	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Adequate and Fair Compensation	103
16.	6.3	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Adequate and Fair Compensation	104
17.	6.4	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Adequate and Fair Compensation	106
18.	6.5	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard Adequate and Fair Compensation	107
19.	6.6	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Adequate and Fair Compensation	108
20.	6.7	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Private Sector Organizations with regard to Adequate and Fair Compensation	109
21.	6.8	't' test between Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	110
22.	6.9	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	111
23.	6.10	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	112
24.	6.11	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	113

Sl. No.	Table No	Title	Page No
25.	6.12	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	114
26.	6.13	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Adequate and Fair Compensation	116
27.	6.14	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Safe and Healthy Working Conditions	117
28.	6.15	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations on Safe and Healthy Working Conditions	118
29.	6.16	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Safe and Healthy Working Conditions	121
30.	6.17	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Safe and Healthy Working Conditions	122
31.	6.18	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Safe and Healthy Working Conditions	123
32.	6.19	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Private Sector Organizations with regard to Safe and Healthy Working Conditions	123
33.	6.20	't' test between Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	124
34.	6.21	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	125

Sl. No.	Table No	Title	Page No
35.	6.22	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	126
36.	6.23	't' test between Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	128
37.	6.24	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	129
38.	6.25	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Safe and Healthy Working Conditions	130
39.	6.26	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	132
40.	6.27	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	133
41.	6.28	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	135
42.	6.29	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	136
43.	6.30	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	137

Sl. No.	Table No	Title	Page No
44.	6.31	't' test between Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	138
45.	6.32	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	139
46.	6.33	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	140
47.	6.34	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	141
48.	6.35	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	142
49.	6.36	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Immediate Opportunity to Use and Develop Human Capacities	144
50.	6.37	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Opportunity for Continued Growth and Security	145
51.	6.38	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Opportunity for Continued Growth and Security	147
52.	6.39	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Opportunity for Continued Growth and Security	149

Sl. No.	Table No	Title	Page No
53.	6.40	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Opportunity for Continued Growth and Security	150
54.	6.41	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Opportunity for Continued Growth and Security	151
55.	6.42	't' test between Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	152
56.	6.43	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	153
57.	6.44	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	154
58.	6.45	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	155
59.	6.46	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	156
60.	6.47	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Opportunity for Continued Growth and Security	157
61.	6.48	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Social Integration in the Work Organization	159

Sl. No.	Table No	Title	Page No
62.	6.49	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Social Integration in the Work Organization	160
63.	6.50	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Social Integration in the Work Organization	163
64.	6.51	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Social Integration in the Work Organization	163
65.	6.52	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Social Integration in the Work Organization	164
66.	6.53	't' test between Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	165
67.	6.54	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	166
68.	6.55	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	167
69.	6.56	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	168
70.	6.57	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	170

Sl. No.	Table No	Title	Page No
71.	6.58	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Social Integration in the Work Organization	171
72.	6.59	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Constitutionalism in the Work organization	173
73.	6.60	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Constitutionalism in the Work organization	174
74.	6.61	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Constitutionalism in the Work organization	177
75.	6.62	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Constitutionalism in the Work organization	178
76.	6.63	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Constitutionalism in the Work organization	179
77.	6.64	't' test between Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	179
78.	6.65	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	180
79.	6.66	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	181
80.	6.67	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	182

Sl. No.	Table No	Title	Page No
81.	6.68	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	184
82.	6.69	One Way Analysis of Variance Among the Monthly Income of the Coaches Working at Government and Private Sector Organizations with regard to Constitutionalism in the Work organization	185
83.	6.70	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Work and Total Life Space	186
84.	6.71	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Work and Total Life Space	188
85.	6.72	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Work and Total Life Space	191
86.	6.73	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Work and Total Life Space	191
87.	6.74	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Work and Total Life Space	192
88.	6.75	't' test between Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	193
89.	6.76	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	194
90.	6.77	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	195

Sl. No.	Table No	Title	Page No
91.	6.78	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	196
92.	6.79	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	197
93.	6.80	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Work and Total Life Space	199
94.	6.81	One Way Analysis of Variance Among Coaches Working at Different Organizations with regard to Social Relevance of Work Life	200
95.	6.82	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Different Organizations with regard to Social Relevance of Work Life	202
96.	6.83	One Way Analysis of Variance Among Coaches Working at Government Sector Organizations with regard to Social Relevance of Work Life	205
97.	6.84	Scheffe's Post Hoc Test of Significance and Difference Among the Means of Opinions of Coaches Working at Government Sector Organizations with regard to Social Relevance of Work Life	205
98.	6.85	One Way Analysis of Variance Among Coaches Working at Private Sector Organizations with regard to Social Relevance of Work Life	206
99.	6.86	't' test between Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	207
100.	6.87	't' test between the Gender of Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	208

Sl. No.	Table No	Title	Page No
101.	6.88	One Way Analysis of Variance Among the Various Age Groups of Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	209
102.	6.89	't' test between the Marital Status of Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	210
103.	6.90	One Way Analysis of Variance Among the Various Experience Level of Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	211
104.	6.91	One Way Analysis of Variance Among the Monthly Income of Coaches Working at Government and Private Sector Organizations with regard to Social Relevance of Work Life	212
105.	7.1	Findings related to Coaches' Opinion with regard to different Dimensions of Quality of Work Life	233
106.	7.2	Role of Demographic Profiles of Coaches Working at Government Sector Organizations with regard to different Dimensions of quality of work life	234
107.	7.3	Role of Demographic Profiles of Coaches Working at Private Sector Organizations with regard to different Dimensions of quality of work life	235
