

## LIST OF ILLUSTRATIONS

Figure No		Page No
1	Bar Diagram Showing the Mean Differences among the Groups on Glucose	179
2	Bar Diagram Showing the Mean Differences among the Groups on Calcium	185
3	Bar Diagram Showing the Mean Differences among the Groups on Albumin	191
4	Bar Diagram Showing the Mean Differences among the Groups on Total Protein	197
5	Bar Diagram Showing the Mean Differences among the Groups on Sodium	203
6	Bar Diagram Showing the Mean Differences among the Groups on Potassium	209
7	Bar Diagram Showing the Mean Differences among the Groups on Chloride	214
8	Bar Diagram Showing the Mean Differences among the Groups on Creatinine	219
9	Bar Diagram Showing the Mean Differences among the Groups on Total Cholesterol	225
10	Bar Diagram Showing the Mean Differences among the Groups on Triglycerides	231
11	Bar Diagram Showing the Mean Differences among the Groups on Low Density Lipoprotein	237
12	Bar Diagram Showing the Mean Differences among the Groups on High Density Lipoprotein	243
13	Bar Diagram Showing the Mean Differences among the Groups on Very Low Density Lipoprotein	249
