

## LIST OF FIGURES

<b>FIGURE</b>	<b>TITLE</b>	<b>PAGE</b>
<b>I</b>	Mean values of basketball and handball players at different topography on strength.	82
<b>II</b>	Mean values of basketball and handball players at different topography on strength endurance.	83
<b>III</b>	Mean values of basketball and handball players at different topography on agility.	84
<b>IV</b>	Mean values of basketball and handball players at different topography on explosive power.	85
<b>V</b>	Mean values of basketball and handball players at different topography on speed.	86
<b>VI</b>	Mean values of basketball and handball players at different topography on cardiovascular endurance.	87
<b>VII</b>	Mean values of basketball and handball players at different topography on factor A.	97
<b>VIII</b>	Mean values of basketball and handball players at different topography on factor B.	98
<b>IX</b>	Mean values of basketball and handball players at different topography on factor C.	99
<b>X</b>	Mean values of basketball and handball players at different topography on factor E.	100
<b>XI</b>	Mean values of basketball and handball players at different topography on factor F.	101
<b>XII</b>	Mean values of basketball and handball players at different topography on factor G.	102
<b>XIII</b>	Mean values of basketball and handball players at different topography on factor H.	103
<b>XIV</b>	Mean values of basketball and handball players at different topography on factor I.	104
<b>XV</b>	Mean values of basketball and handball players at different topography on factor L.	105

<b>XVI</b>	Mean values of basketball and handball players at different topography on factor M.	106
<b>XVII</b>	Mean values of basketball and handball players at different topography on factor N.	107
<b>XVIII</b>	Mean values of basketball and handball players at different topography on factor O.	108
<b>XIX</b>	Mean values of basketball and handball players at different topography on factor Q1.	109
<b>XX</b>	Mean values of basketball and handball players at different topography on factor Q2.	110
<b>XXI</b>	Mean values of basketball and handball players at different topography on factor Q3.	111
<b>XXII</b>	Mean values of basketball and handball players at different topography on factor Q4.	112
