I	Diagrammatic representation of the research study	80
II	Mean values of experimental groups and control group on Agility	110
III	The Adjusted post test mean values of experimental groups and control groups on Agility	110
IV	Mean values of experimental groups and control group on Speed	115
V	The Adjusted post test mean values of experimental groups and control groups on Speed	115
VI	Mean values of experimental groups and control group on Explosive power	120
VII	The Adjusted post test mean values of experimental groups and control groups on Explosive power	120
VIII	Mean values of experimental groups and control group on Flexibility	125
IX	The Adjusted post test mean values of experimental groups and control groups on Flexibility	125
X	Mean values of experimental groups and control group on Co-ordination	132
XI	The Adjusted post test mean values of experimental groups and control groups on Co-ordination	130
