

## ACKNOWLEDGEMENT

This dissertation would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study.

I express my sincere thanks to the Vice- Chancellor, Tamil Nadu Physical Education and Sports University, for allowing me to carry out this research work and for her continuous support and blessings throughout this research work.

I heartily thank professor Dr.R.Thirumalaisamy, former Vice-Chancellor Tamil Nadu Physical Education and Sports University, Chennai, who never hesitated to offer his helpful suggestions, and extended his guidance whenever I approached him.

Foremost, I would like to express my sincere gratitude to my guide Dr.D.Maniadhagan, Assistant professor, Department of Physical Education and Health Sciences, Alagappa University, Karaikudi, for his constant and valuable guidance, which made the study possible. In spite of his extremely busy academic pursuits, he always spared time for me. I have been benefited from the vast reservoir of his deep insight and experience. It is indeed his encouragement and creative suggestions, which helped me in completing my dissertation in time.

Finally I thank Almighty God for listening to my supplication and answering my prayers. It is he who gave me strength to plod on despite my constitution wanting to give up. Thank you so much dear Lord!
