

LIST OF TABLES

Table No.	Particulars	Page No.
I	Test items for the selected variables	80
II	Univariate correlation on selected criterion variables	82
III a	Yogic practices training schedule for I, II and III week	85
III b	Yogic practices training schedule for IV, V and VI week	86
III c	Yogic practices training schedule for VII, VIII and IX week	87
III d	Yogic practices training schedule for X, XI and XII week	88
IV	Analysis of covariance on Blood Glucose (fasting) of yogic practice group and control group	118
V	Analysis of covariance on Blood Glucose (postprandial) of yogic practice group and control group	121
VI	Analysis of covariance on HbA1c of yogic practice group and control group	124
VII	Analysis of covariance on Total cholesterol of yogic practice group and control group	127
VIII	Analysis of covariance on Triglycerides of yogic practice group and control group	130
IX	Analysis of covariance on Blood High Density Lipoprotein of yogic practice group and control group	133
X	Analysis of covariance on Blood Low Density Lipoprotein of yogic practice group and control group	136
XI	Analysis of covariance on Blood Very Low Density Lipoprotein of yogic practice group and control group	139
XII	Analysis of covariance on Depression of yogic practice group and control group	142
XIII	Analysis of covariance on Anxiety of yogic practice group and control group	145
XIV	Analysis of covariance on Stress of yogic practice group and control group	148
