I am by direction to inform that the University Library, TNPESU has integrated the One Nation One Subscription (ONOS) service into the Library website. This service provides access to over 13000+ e-Journals published by 30 International Journal Publishers, covering disciplines such as science, engineering, medicine, social sciences, humanities, and natural sciences. ONOS is an initiative of Ministry of Education, Government of India.

The service is provided at free of cost by INFLIBNET, which is primarily IP based for campus access. To access the e-journal content, visit our university library website at URL: <http://192.168.100.143/> and login to E-Resources Menu, where a submenu ONOS will be available. Login in to this submenu to access the e-journals publisher wise.

I would like to inform all the students, scholars and faculty members to utilise the e-resources for academic achievements. An orientation class will be conducted by The Deputy Librarian after university reopens.
