

## LIST OF THE FIGURES

<b>Sl.No</b>	<b>Tab. No</b>	<b>TITLE</b>	<b>Page No.</b>
1	2.1	Conceptual Model of the Study	70
2	3.1	A Systematic Approach for Empirical Research	86
3	3.2	Mediator Model	119
4	4.1	Graphical Representation of Total number of Respondents based on Retailing Sports Product	123
5	4.2	Graphical Representation of Years of Experience in Sports Retail Sector	124
6	4.3	Graphical Representation of Annual Sales of Sports Goods Retailers	126
7	4.4	Graphical Representation of Sourcing Sports Products	127
8	4.5	Graphical Representation of Placing and Order of Sports Goods	128
9	4.6	Graphical Representation of Brands Dealt by the Retailers	129
10	4.7	Graphical Representation of organized and unorganized Retail Firm	130
11	4.8	Graphical representation of the Northeast State Sports Goods retailers	132
12	4.9	Graphical representation of the retailers on Years of Experience and Annual Sale of Sports Goods Retailers of North East India	134
13	4.10	Graphical representation of the retailers on Sourcing Product and Annual Sale of Sports Goods Retailers in North East India.	137
14	4.11	Graphical representation of the retailers on Number of Brand Dealt and Annual Sale of Sports Goods Retailers in North East India	140

15	4.12	Graphical representation of Organized and Unorganized Sports Retailers and Annual Sale of North East India	142
16	4.13	Graphical representation of Retail Location with Annual Sale	145
17	4.14	Graphical representation of the retailers on Retailing Product and Annual Sale	148
18	4.15	Graphical representation of the retailers on State of Retail Location and Order Place for Product Supply	151
19	4.16	Graphical representation of the retailers on State of Retail Location and Number of Brand Dealt	154
20	4.17	Graphical representation of the retailers on State of Retail Location and Organized and Unorganized Sports Goods Retailers	157
21	4.18	Graphical representation of the retailers on State of Retail Location and Retailing Product	160
22	4.19	Graphical Representation of the Mean Opinion on different dimensions of Retail Supply Chain Challenges	164
23	4.20	Graphical Representation of the Mean Opinion of the Sports Retailers in Firms Performance	167
24	4.21	Path Model	192
25	4.22	Structure Equation Model	193
26	4.23	PLS-SEM – Blindfolding Test	203
