

LIST OF TABLES

Sl. No.	Tab. No.	TITLE	Page No.
1.	1.1	Major achievements of Northeast India athletes	37-38
2.	3.1	Alignment of National Sports Policy with the Sports Policy Factors Leading to National/International Sporting Success (SPLISS) Critical Success Factors	122
3.	3.2	Reliability of Test-retest using Cronbach's Alpha Score	129
4.	3.3	Sample Size Distribution	132
5.	4.1	Total number of respondents based on their State	143
6.	4.2	Total number of respondents based on their role	145
7.	4.3	Total number of respondents based on age	146
8.	4.4	Total number of respondents based on gender	147
9.	4.5	Total number of respondents based on their experiences	149
10.	4.6	Total number of respondents based on their level of education	150
11.	4.7	Total number of respondents based on their Level of Sports Policy awareness.	151
12.	4.8	Distribution of Stakeholders Role Across Northeastern States	152-153
13.	4.9	Distribution of Stakeholders Gender Across Northeastern States	154
14.	4.10	Distribution of Stakeholders Sports Policy awareness Across Northeastern States	156
15.	4.11	Gender Distribution of Stakeholders Role in Northeastern States	158
16.	4.12	Distribution of the Stakeholders Education Level based on their Role	159
17.	4.13	Distribution of the Stakeholders Experience Level based on their Role	161

18.	4.14	Distribution of the Stakeholders Level of Sports Policy Awareness based on their Role	162
19.	4.15	Distribution of the Stakeholders Level of Sports Policy Awareness based on their Role	164
20.	4.16	Descriptive statistics of different factors of Sports Policy on various Northeast States	166
21.	4.17	Pearson coefficient correlation analysis of dependent and independent variables	168
22.	4.18	Multiple Correlation, R square, Adjusted R square and Standard error of estimate between Sports Policy implementation and Sports Development among Players in various Northeast States.	170
23.	4.19	Predictor Beta Values between Sports Policy implementation and Sports Development among Players in various Northeast States.	171
24.	4.20	ANOVA for regressed and Residual Principle of Dependent and Independent Variables among Players in various Northeast States.	172
25.	4.21	Multiple Correlation, R square, Adjusted R square and Standard error of estimate between Sports Policy implementation and Sports Development among Coaches in various Northeast States.	173
26.	4.22	Predictor Beta Values between Sports Policy implementation and Sports Development among Coaches in various Northeast States.	174
27.	4.23	ANOVA for regressed and Residual Principle of Independent Variables among Coaches in various Northeast States.	174
28.	4.24	Multiple Correlation, R square, Adjusted R square and Standard error of estimate between Sports Policy implementation and Sports Development among Sports Administrators in various Northeast States.	176
29.	4.25	Predictor Beta Values between Sports Policy implementation and Sports Development among Sports Administrators in various Northeast States.	177

30.	4.26	ANOVA for regressed and Residual Principle of Independent Variables among Sports Administrators in various Northeast States.	177
31.	4.27	Multiple Correlation, R square, Adjusted R square and Standard error of estimate between Sports Policy implementation and Sports Development among Male respondents in various Northeast States.	178
32.	4.28	Predictor Beta Values between Sports Policy implementation and Sports Development among Male respondents in various Northeast States.	179-180
33.	4.29	ANOVA for regressed and Residual Principle of Independent Variables among Male respondents in various Northeast States.	180
34.	4.30	Multiple Correlation, R square, Adjusted R square and Standard error of estimate between Sports Policy implementation and Sports Development among Female respondents in various Northeast States.	181
35.	4.31	Predictor Beta Values between Sports Policy implementation and Sports Development among Female respondents in various Northeast States.	182
36.	4.32	ANOVA for regressed and Residual Principle of Independent Variables among Female respondents in various Northeast States.	182
37.	4.33	Descriptive statistics among stakeholder's role in Various Dimension of Sports Policy	185
38.	4.34	Multivariate Analysis for Stakeholders' Role opinion in Sports Policy Implementation Across Northeast States	186
39.	4.35	Post-Hoc pairwise comparison for Players, Coaches and Sports Administrators on Sports Policy implementation.	187
40.	4.36	Descriptive statistics among the genders opinion in Various Dimension of Sports Policy	191
41.	4.37	Multivariate Analysis for Stakeholders' Gender opinion on Sports Policy Implementation Across Northeast States	193
42.	4.38	Descriptive statistics among stakeholder's age group on various Dimension of Sports Policy implementation	194

43.	4.39	Multivariate Analysis for Stakeholders age group opinions on Sports Policy Implementation Across Northeast States	196
44.	4.40	Post-Hoc pairwise comparison for Stakeholders' Age group opinions on Sports Policy Implementation	197
45.	4.41	Descriptive statistics among stakeholder's education level on various Dimension of Sports Policy implementation	201
46.	4.42	Multivariate Analysis for Stakeholders opinions on Sports Policy Implementation based on their education level.	203
47.	4.43	Post-Hoc pairwise comparison for Stakeholders' opinions on Sports Policy Implementation baes on their education level	204
48.	4.44	Descriptive statistics among stakeholder's experience group on various Dimension of Sports Policy implementation	208
49.	4.45	Multivariate Analysis for Stakeholders experience group opinions on Sports Policy Implementation Across Northeast States	210
50.	4.46	Post-Hoc pairwise comparison for Stakeholders' Experience group opinions on Sports Policy Implementation	211
51.	4.47	Descriptive statistics among stakeholder's awareness level group on various Dimension of Sports Policy implementation	215
52.	4.48	Multivariate Analysis for Stakeholders awareness level group's opinion on Sports Policy Implementation Across Northeast States	217
53.	4.49	Post-Hoc pairwise comparison for Stakeholders' Awareness group's opinion on Sports Policy Implementation	218
54.	4.50	Budget allocation by various Northeast States to State sports department	223
55.	4.51	Khelo India Rising Talent Identification Program	232

56.	4.52	Incentive scheme and cash rewards by Northeast state-run government	237
57.	4.53	State-owned facilities	240
58.	4.54	Sai training centre (STCs)	241
59.	4.55	National Centres of Excellence (NCOEs)	242
60.	4.56	National Sports Talent Contest (NSTC) scheme- Regular School	242
61.	4.57	Khelo India State Centres of Excellence (KISCE)	242
62.	4.58	Types of main events held in the region	245
63.	4.59	Khelo India Youth game participation list	248
64.	4.60	Khelo India University game participation list	248
65.	4.61	Northeast India achievements at the National Games	249
66.	4.62	Northeast India achievements at the Khelo India youth game	249
67.	4.63	States achievements at the Northeast game's events	250
68.	4.64	Number of Medals won by Northeast athletes at the International Events.	251
