

## LIST OF FIGURES

<b>Figure No.</b>	<b>FIGURES</b>	<b>Page No.</b>
3.1	Flow chart showing the methodology adopted in this study	105
3.2	Flow chart showing the experimental treatment adopted for experimental group-I	106
3.3	Flow chart showing the experimental treatment adopted for experimental group-II	107
3.4	Flow chart showing the experimental treatment adopted for experimental group-III	108
4.1	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on speed	121
4.2	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on flexibility	127
4.3	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on agility	133
4.4	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on muscular strength endurance	139
4.5	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on resting pulse rate	145
4.6	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on $V_{O_2}$ max	151

4.7	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on anaerobic power	157
4.8	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on breath holding time	163
4.9	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on stress	169
4.10	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on anxiety	175
4.11	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on aggression	181
4.12	Bar diagram shows pre, post and adjusted post test means of pilates training group, plyometric training group, combination of pilates and plyometric training group on mood state	187
